CONDITIONS OF SALE.

- I. The highest bidder to be the buyer; and if any dispute arise between bidders, the lot so disputed shall be immediately put up again, provided the seller cannot decide the said dispute.
- II. No person to advance less than 1s.; above Five Pounds 2s. 6d., and so on in proportion.
- III. The Purchasers to give in their names and places of abode, and to pay down 5s. in the Pound, if required, in part of payment of the Purchase-money; in default of which, the Lot or Lots purchased to be immediately put up again and re-sold.
- IV. The Sale of any lot is not to be set aside on account of any error in the enumeration of the numbers stated, or errors of description.
- V. The Lots to be taken away at the Buyer's Expense, immediately after the Conclusion of the Sale; in default of which, Messrs. SOTHEY, WILKINSON & HODGE, will not hold themselves responsible if lost, stolen, damaged or otherwise destroyed, but they will be left at the sole risk of the Purchaser. If at the expiration of Two DAYS after the conclusion of the Sale, the Lots are not cleared or paid for, they will then be catalogued for immediate sale, and the expence, the same as if re-sold, will be added to the amount at which they were bought. Messrs. S. LEIGH SOTHEY, WILKINSON & HODGE, will have the option of re-selling the Lots uncleared either by public or private sale, without any notice being given to the defaulter.
- VI. Upon failure of complying with the above conditions, the money required or deposited in part of payment shall be forfeited; and *if any loss is sustained in the re-selling of such lots as are not cleared or paid for, all charges on such re-sale shall be made good by the defaulter at this sale.*

Gentlemen who cannot attend the Sale, may have their Commissions faithfully executed by their humble Servants,

SOTHEY, WILKINSON & HODGE,
Wellington Street, Strand.

THE following Sale consists of two Collections, one formed by William John Hamilton, Esq., Author of “Researches, &c., in Asia Minor;” and the other by his father, William R. Hamilton, Esq., author of “Aegyptiaca,” and other works.

These Collections were always kept separate by the family, and are, accordingly, thus placed before the public.

As usual, I have been careful to point out defects, and to avoid over-describing the condition of the coins.

- * * The specimen described by Mionnet must have been in bad preservation on reverse, or he would not have called

the object "Fer de lance." It is a column of peculiar construction, such as appear on coins of Ambracia, and on the coin of Oricus, forming lot 240 infra, resembling a rolling pin rampant, more than anything else. See Millingen, "Cities and Kings," p. 51, where this identical coin is cited, and the object on the reverse discussed.
